

Avery Dennison® Monarch® 1131® Hand Labeler

Printer and
Fastener Solutions

QUICK TURNAROUND DATE CODING

The Avery Dennison® Monarch® 1131® hand labeler prints up to eight character positions for easy-to-read prep time or date coding. Ideal for dating quick turnaround food prepared in advance.

REDUCES ERRORS

Illegible handwriting replaced by concise easy-to-read print. Clearly printed date coding labels help ensure food is served fresh.

- Time and Date: Choose from easy-to-identify days-of-the-week, use by, received on or best before labels
- Numeric Data Only: Selection of bright, high impact labels available in a variety of adhesives

ABOUT MONARCH LABELERS

Red “touchpoints” are incorporated throughout the labelers to help guide the user through important tasks such as loading, clearing jams and removing the ink rollers.

Instructional videos are easily accessed by scanning the QR code conveniently located on the labeler.

Most labelers take about 75% less time to load labels and roughly 97% less time to change ink rollers than other similar labelers on the market.

Made in the USA from practically indestructible ABS plastic and drop tested to ensure they'll last for decades.

All of our labelers are covered by a one-year warranty and we also offer 48-hour turnaround repairs on all labelers.
