Elevate Brand: Sustainable Solutions

Accelerate performance in food safety, compliance and quality assurance through integrated supply chain, retail and food service solutions that reduce complexity while improving speed and accuracy.

Keep Your Food Containers Free from Adhesive-Related Bacteria

- Only labels to completely disintegrate in seconds when immersed in water
- Reduce the risk of a foodborne illness outbreak resulting from cross-contamination from bacteria clinging to label adhesive
- No residue to clog your drains

Because these labels completely dissolve, there's no residue left to clog your drains.

Decrease Labor Time

Employees no longer waste time scraping labels from food containers.

Improved Print Quality

Offer a high degree of smoothness and dense face for sharp, crisp and clear labels.

Elevating Brands. Accelerating Performance.

For more information on Avery Dennison Dissolvable Labels or to schedule a tour of our Customer Design and Innovation Centers, please call 800.543.6650, prompt 5, or e-mail rbis.solutions@averydennison.com.

For more information or complete warranty and other terms and conditions, please contract your Avery Dennison representative or visit our website at www.rbis.averydennison.com.
